CO-SPONSORSHIP BUDGET SHEET GUIDELINES

The Associated Students Program Board (ASPB) requires a budget sheet from all co-sponsorship applicants in order to assess how potential funds will be spent. We ask that you create your own budget sheet, using the example provided below as a guideline to how the budget sheet will look like. If the example below is not sufficient for your program, feel free to create your own version of a budget sheet.

Here are a few important guidelines regarding the budget sheet:

- Be very specific with the event requirements.
- Make sure that your estimated costs are as accurate as possible.
- Be sure to include ALL the event requirements in the budget sheet.
- **Highlight or bold the event requirements that you plan on spending potential co-sponsorship funds.**
- **Provide two totals: One total will be for the total event cost and the other total will be the amount of co-sponsorship funding that you are requesting.** The total amount of co-sponsorship funding you are requesting should be the sum of the highlighted/bolded lines.
